
We are the children

©asfleet2012

Chorus:

We are the children

Love-hands for Jesus

Brothers and sisters

Living for Him

Hands cross the world as

Brothers and sisters

Christ to the world we bring

Faced with the need we will give
Where there is pain we will pray
Caring for lovers of Jesus
Sharing with them on the way

Vocal Recitative:

For those in prison
Those treated wrong
For those who are hungry
Their living gone
The lonely, the naked
And those facing thirst
We lift them to Jesus
Put His kingdom first

Chorus: We are the children

Into the darkest, dire place
Where there is conflict and war
Carers for lovers of Jesus
When evil strikes we pray more

Vocal Recitative:

For those who struggle
Whose life is tough
Who feel so lonely
Who've had enough
The injured, the hopeless
Whose trust still goes on
We lift them to Jesus
For His love is strong

Chorus: We are the children

We praise:

God who is mighty in Love
Jesus whose grace knows no end
Lifted by His Holy Spirit
Our Saviour and Master and Friend

Vocal Recitative: Open prayer to Music

Chorus: We are the children
